About KIT's IMER

An Institute established in May 1983. Kolhapur Institute of Technology reflects the vision of leading industrial and educationalists. The vast exposure and experience of its founders has helped KIT to establish its identity as an Institute of repute in the field of engineering and management education.

The continuous growth of industry in India in general and southern Maharashtra in particular created a growing demand for entrepreneur with specialized technical and managerial background. With a view to cater this growing demand from all parts of our country, the management of KIT started its own Management wing, affiliated to Shivaji University and approved by All India Council For Technical Education, New Delhi.

The Institute is located on Pune - Bangalore highway {NH-4} south to the Kolhapur city. The Institute has a beautiful lush green campus spread over 27.72 acres of land incorporates well furnished lecture rooms and other amenities like syndicate room, common rooms, well equipped Library and reading room, computer labs The KIT 's IMER is committed to build leadership attributes amongst the tomorrows managers.

Director's Message

I welcome you on behalf of the KITs IMER and thank you for showing your interest in us We have been providing quality management and computer education for the past 24 years and over 4000 students have completed their MBA and MCA program since its inception in 1994. Now a days, B-schools are facing pressure of performance and quality like never before and the skillful handing of these pressures makes the KIT's IMER unique. All the founders and trustees have always emphasized upon the excellence in education, ethics and values both in their businesses as well as in educational institution established by them. KIT's IMER was established to provide leadership in the area of management and computer education with an emphasis on developing all round managerial and computer versatile skills. In doing so, we believe that the IMER will continue to create unique and novel programs to make significant contributions to management and technology as domain.

The Alumni of the Institute have done exceedingly well in spheres of life at Global levels and brought name and fame for themselves as well as to the institute.
