Subject- Regarding feedback of stakeholders about the syllabus.

Dear Sir/Madam

As per our routine practice we have collected feedback from all stakeholders regarding the syllabus. From its analysis I want to suggest you to incorporate the following points if found suitable during your upcoming BOS syllabus meeting.

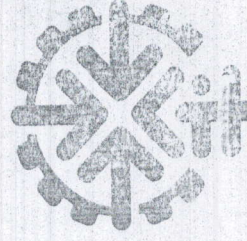

- 1) Syllabus should focus upon practical knowledge which will enable the students to establish the link between Industry and the institute.
- 2) Syllabus should include the e commerce, social media, and online business.
- 3) MCA syllabus should include app development.
- 4) Online examination system should be more robust and transparent.
